About Me

As an experienced video editor, I have a passion for visual storytelling and a keen eye for detail. With 2 years of experience using editing software such as Adobe Premiere Pro, Photoshop, I have developed a strong skill set in creating engaging and dynamic video content. I am always seeking new challenges to help me grow my expertise and take my work to the next level. I am confident that my creativity, technical skills, and dedication to my craft would make me an asset to any team.

Experience

Over the **past two years**, I have gained experience working with **Adobe Premiere Pro, Photoshop, and After Effects**. My primary focus has been video editing work for my **YouTube channel**, where I have honed my skills in creating high-quality, engaging content. Through this experience, I have developed a strong understanding of how to use these software tools to create visually compelling videos that meet the needs of my audience.

Education

- **Viswa Niketan (2020-2024)**
+2

In 2022, I graduated from Viswa Niketan College with a +2 degree in Science, located in Tripureshwor.

- **Amrit Science Campus (Ongoing)**
Bsc. CSIT

As of 2023, I am a CSIT student at Amrit Science Campus, working towards my degree.
